

Mohamed Kharashy Junior Frontend Developer

address: King Faisal street Giza, Egypt · email: hi@dev-mkr.me · portfolio website: <http://dev-mkr.me>

EXPERIENCE

Junior front-end developer at Zamalek SC Oct 2022 - Feb 2023

Zamalek Sporting Club commonly referred to as Zamalek, is an Egyptian sports club based in Giza. It is one of the most successful football clubs in Africa and the Middle East and was the most titled club in African tournaments in the 20th century. The club is mainly known for its professional football team, which plays in the Egyptian Premier League, the top tier of the Egyptian football league system.

Responsibilities:

- Created the club's official website.
- Collaborate with the design team and the backend team to meet project requirements, goals, and desired functionality.
- designed the mobile UI

stack: Nextjs, tailwindcss, swr, slick-carousel and more.

SELECTED PROJECTS

React-admin-dashboard

react-admin-dashboard React dashboard is an open-source admin dashboard. a powerful tool for visualizing, managing, and analyzing data. With a clean and intuitive design, it allows users to get a comprehensive view of their data at a glance. Whether you're working with complex financial data, project management data, or any other type of data, this dashboard provides the tools you need to make informed decisions. stack: Typescript, reactjs with vite, zustand, apexCharts, tailwindcss, swr, axios, react-hook-form, and more.
